

# MARQUIS®

## GENERAL CLEANING GUIDELINES

Exposed wood finishes should be wiped clean with a damp cloth and/or silicone, wax-free cleaner. Avoid using any abrasive chemicals or wiping materials.

To maintain the integrity of the upholstery, refer to the cleaning codes located on the back of your Marquis upholstery card and/or the supplier's instructions.

All urethane materials should be wiped with mild soap and water.

All metal components should be dusted regularly with a soft, clean cloth.
